Subject: Compare MIL-I-45208A with ISO 9001

Greetings,

To whom it may concern, please be advised that any Supplier that is compliant with or certified and registered for ISO 9001 or DLA's Tailored ISO 9001 is fully compliant with MIL-I-45208A.

Visit www.assistdocs.com to learn when the U.S. Government archived MIL-I-45208A without replacement. See below for excerpt from assistdocs.com regarding cancellation of MIL-I-45208A:

MIL-I-45208A NOTICE 2

Canceled

QCIC INSPECTION SYSTEM REQUIREMENTS NO SUPERSEDING DOCUMENT

See attached copy of Notice 2 dated October 1, 1996 from assistdocs.com.

See Attachment A for comparisons between versions of ISO 9001, MIL-I-45208A and MIL-Q-9858.

We are hopeful this information helps to clarify why a Supplier is fully compliant with MIL-I-45208A when they are compliant with or certified and registered for ISO 9001 or DLA's Tailored ISO 9001.

Sincerely,

(signature on file)
